LAKEWAY AIRPARK JUNE 2006

MESSAGE FROM YOUR PRESIDENT

Hi everyone!

Another year is coming to a close at your Airpark. Our Annual Meeting is scheduled for June 6 at the Activity Center from 6PM until we are done. I look forward to seeing all of you there!

Joe Bain
Airpark President

I'd like to take a moment to thank all of the Directors, both current and past that have helped keep the Airpark the great place it is! We've come a long way since 1995 when the non-profit was formed and the Airpark was purchased and a great amount of effort will be necessary to keep it going in the right direction. It takes a lot of work to maintain and manage your Airpark.

We are collecting lots of dues and I'd like to thank all of you for your support! I'm told that many checks are coming in without Applications! If you didn't send in an App. Please find the one sent in your newsletter and fill it out and send it in. We need a signed application each year for our records! Homeowners need to fill out a taxiway agreement and send it in each year also and that should also have been included in your newsletter if necessary.

Thanks again for all of your help for the last couple of years. I know the new President will enjoy the same support!

See you at the meeting!

Joe Bain

ANNUAL LAKEWAY AIRPARK PARTY - JUNE 10TH - 6 PM

All Lakeway Airpark Members and Friends of the Airpark are invited to enjoy an evening of dinner and entertainment on Saturday, June 10th. The gathering will begin at 6:00 in the evening, at the new terminal building. The party is given in appreciation of the Airpark Members, the Lakeway City Council and the Lakeway Police Department which frequently helps this airport community in many ways.

New Board of Directors Members will be recognized as well our outgoing Board Members.

It is the hope of the Lakeway Airpark Board that all members will come out and enjoy delicious food, catered by Hill Country Pasta House, and also enjoy the musical entertainment of a surprise artist.

This social will be casual and BYOB.

Remember to mark your calendars for this fun evening of dining with your neighbors and reacquainting yourselves with fellow Airpark members you may not have seen in a while. Best part: Free dinner and entertainment!!

See you there, June 10th, 6 p.m.!

Kim Clonts

Question: When returning to the United States from an international location like Canada in my private aircraft, is it required that I land at the first U.S. Customs airport of entry along my route of flight?

Answer: Part 122 of the U.S. Customs and Border Protection Air Commerce Regulations covers the landing requirements for an aircraft landing in the United States that originally departed from a foreign area. Under 19 CFR 122.33, you must land at an approved airport of entry (i.e., designated international airport, a landing rights airport with permission to land granted, or a designated user fee airport with permission to land granted). In this case, you are not required to land at the first airport of entry because the northern U.S./Canada border does not have an FAA Air Defense Identification Zone (except for the coastal areas). However, it is recommended that you consider clearing customs shortly after crossing the border in case you need to divert for any reason while en route to your destination. If you are returning from foreign areas south of the United States in your private aircraft, you will be required to land at the first approved airport of entry upon crossing the U.S. border or coastline as stated in 19 CFR 122.23 and 122.24.

All parties regret the incident surrounding the 5th Hangar and the miscommunications that brought about this dispute. It is our hope that everyone involved can put this issue behind us. We mutually agree to treat all members alike and create a friendly and welcoming neighborhood environment for all Airpark members, including Curtis Hodgson.

BIRD STRIKES NEAR AUSTIN BERGSTROM

In the past 6 months, two aircraft have struck large birds attracted to the adjacent landfills located just south of Austin Bergstrom International Airport. The aircraft were heavily damaged.

The Texas Aviation Association feels there is a clear and present danger to the traveling public at ABIA. Large birds, including many Turkey Vultures (buzzards) are attracted to the landfills. These birds are in the direct air path to planes landing and taking off from ABIA.

THE LAST CHECKRIDE

I hope there's a place way up in the sky, where old flyers can go on the day they die. A place where a guy can buy a cold beer, for a friend and a comrade, whose memory is dear. A place where no doctor or lawyer can tread, nor an CAA/FAA type would 'ere be caught dead. Just a quaint little place, kind of dark, full of smoke, where they like to sing loud, and love a good joke. The kind of a place where a lady could go, and feel safe and protected by the men she would know. There must be a place where old flyers go, when their flying is finished, and their airspeed gets low. Where the whiskey is old, and the women are young, and songs about flying and dying are sung. Where you'd see all the fellows who'd flown west before, and they'd call out your name, as you came through the door. Who would buy you a drink, if your thirst should be bad, and relate to others, "He was quite a good lad". And then through the mist, you'd spot an old guy, you had not seen in years, though he taught you to fly. He'd nod his old head, and grin ear to ear, And say, "Welcome, my son, I'm pleased that you're here. For this is the place where the true flyers come, when their journey is over, and their war has been won. They've come here at last to be safe and alone, from the government clerk, and the management clone, Politicians and lawyers, the Feds and the noise, where all hours are happy, and they're all good ole' boys. You can relax with a cold one, maybe deal from a deck, this is heaven my son..... You've passed your last check!"

NOMINATING COMMITTEE REPORT

In accordance with the Airport Bylaws, the Board of Directors shall consist of 4 Class 1 members and 3 Class 2-4 members. At this election there are 2 Class 1 and 2 Class 2-4 vacancies as a result of Joe Bain, Steve Bangs, Keller Bradfield, and Robert White leaving the board.

Members Jimmy Anderson, Kim Clonts, and Jeff Klaas remain on the board, serving the second year of the two year term.

Ken DeBower and Robert White have been nominated for the Class 1 Board positions. Jesse Beckett and Roger Haney have been nominated for the Class 2-4 Board positions. Each of these is for a two year term. Nominations will also be taken from the floor.

Respectfully submitted,
Jeff Klaas, Jimmy Anderson

STATIC DISPLAY

The static display is almost ready to be positioned up on the post. We are waiting for the plate that will be put inside the plane for mounting. We are still in need of donations for mounting..... Anything will help!

I think that the display will be a neat addition to the Lakeway Airpark.
