

HIGH FLIGHT

LAKEWAY AIRPARK

FEBRUARY 2009

MESSAGE FROM YOUR PRESIDENT

The new bike gives me more excuses to go peddling around raiding refrigerators. This gets me to thinking about how to get an around-the-runway path built. Since it is a mountain bike, maybe I'll do a couple of scouting runs between fridge stops.

Jeff Klaas
Airpark President

I missed last months meeting, so there is not much to report about the Airpark business situation. As best as I can tell we are not facing any crisis or other problems. It is nice to have things running smoothly.

If you are kicking around the Airpark, check out Mike Collier's Bird Dog. He is getting the kinks worked out of a rather extensive restoration. It looks and sounds great, and apparently flies pretty good too. He is sharing one of my problems, common among other vintage airplane restorers – you pour money in and oil leaks out.

Thanks to Clint Beacham, Chip Freitag, Bill Molloy, and Erik Mulloy for doing ramp checks last month. The sign up sheet is on the table in the terminal if you would like to help.

My calendar says the next workday/meeting is February 14th, starting at 8:30am. Dust off your bike and peddle over to Cafe Lago for an early breakfast. I will be there this time.

Jeff

THE SIZE COUNTS

Shortly after just landing at a big international airport in his Cessna 150, our hero strolls into the busy airport cafeteria for a bite to eat. He finds an empty table by the window to keep an eye on the airport comings and goings. Shortly thereafter, a striking woman walks up and asks to share his table. Naturally, he invites her to sit down. After several minutes of small talk, the woman asks if he is a pilot. He responds, "Why, yes, I am -- I fly a C-150." Knowing next to nothing about airplanes, she asks him what a C-150 is. The pilot looks out the window and spots a C-130 Hercules taxing out for takeoff. Pointing to it, he tells his companion, "See that plane over there? That is a C-130. I fly a C-150!"

Lakeway Airpark Polo Shirts & Caps

I have had several requests for polo shirts and caps embroidered with "Lakeway Airpark". Brenda can add your "N" number below "Lakeway Airpark" on the shirts if you desire. The caps have the Airpark Logo on the front.

If you want to order, I am accepting payment (checks made out to Donna Klaas or cash) in advance of ordering (men's & woman's shirts are \$ 30.00 each). We have selected a little higher quality shirt this time to hopefully prevent shrinkage, fading and wrinkles. The fabric is 100% Peruvian Cotton. It is a five star performance, smooth, soft pique. The new brand is Devon & Jones. The shirt sizes in men's & women's are S, M,L,XL & 2XL (the 2X shirts are \$ 33.00). Both the men's & women's have a contoured welt collar & banded sleeves. Both have 3 white pearlized buttons, split side vents and an extended tail. The women's are "softly curved for the female figure". Neither have pockets. The colors for both women's & men's are: **White, Black, Beige/Ivory, Ivy Green, Ink (navy), Red and Regal Blue**. The embroidery will be color coordinated. Brenda gets a quantity ordering discount and passes it on to us.

Caps with the Airpark Logo are \$14.00. Cap colors are: **Black & Kaki**. I will be taking orders at the February 12th airpark social or you can mail your order & checks to me at: 117 Blue Jay Dr. Lakeway, TX 78734. If you have questions, call 261-5996 or e-mail dlklaas@jdklaas.com. I plan to place the order the end of February.
