

Lakeway Airpark Newsletter

August 2011 / Page 1

Lakeway Airpark Inc.
115 Flying Scot
Lakeway, TX 78734
www.3R9.org

The airpark dinner will be held on Thursday, August 11 at Sobani's, on 620 in the same center as the new Sears outlet and across from Faradays. Time: 6:30 p.m.

IMPORTANT: We **MUST** give them a confirmed number of attendees for our reservation, so it is necessary this month to contact Angie or Jean prior to dinner.

Angie's information is 512.748.6939 or angieinthehills@gmail.com.

Please send event pictures or potential articles and interview suggestions to jeanthompson74@yahoo.com

President's Letter

The trip to Montana and back went great -- solo up and Angie rode along on the way back. It was not smooth all the way due to high temperatures and cloud bases higher than I could cruise. The plane ran perfectly. Running LOP saved some gas. I will eventually crunch the numbers to see the actual fuel flow for the whole trip. The scenery was splendid with visibilities greater than twenty everywhere; there was no rain (actually virga) limiting the view. There are no forest fires in that area this year. I actually got wet a couple times in some light drizzle. The weather there was fantastic -- warm days, cool evenings, a little rain, and brilliant daily sunshine. My sister is accumulating photos of the weeks activities, so evidence will be provided later.

There is not much happening around the Airpark now, although we have had quite a bit of flying going on and had to order another round of fuel last week. Price is up a little but we are still competitive. We are engaging engineering expertise to evaluate the pavement and setup a long term maintenance plan. At a minimum we have to get busy Sealing cracks on the ramp. Other than that we have several routine maintenance items ahead of us.

The lawsuit had no progress. The ZAPCO hearings have been postponed again.

That is about it for this month. Thanks to Terry Priestap for helping with ramp checks last month.

Jeff

The September Airpark dinner will be a pot luck social dinner at the Mulloy's house. Kim Mulloy would like to have the email address of any ladies that might want to bring something so you can contact her by email at kimberlymulloy@yahoo.com or by phone at (512) 820-7619.

NOTICE:

The taxiway on the east side of the airport between the south end of the runway and the hangers is to be used for aircraft **ONLY**. All vehicular traffic should cease and desist. This is a taxiway, **not** a road. Thank you for your cooperation.

Join our Airpark community! To learn more about the Lakeway Airpark, call any of the board members listed below.

Thanks to Jane Olufsen for providing us with photos of a covey of Cubs flying out one weekend. Pilots from right to left: Neil Olufsen, John Duncan, Jr. and John Duncan.

The photo above of Lake Travis was taken last month and provided by Jesse Beckett. Unfortunately, the lake is even worse now.

The AP photo at left shows the Cypress Creek arm of Lake Travis.

Editor's Note: Did anyone go to Oshkosh?? I would love to have some photos and an article if you did, esp. if you flew your plane up there!! These are the dog days of summer and I need some fuel for the next newsletter!

Unfortunately due to an unexpected surgery and brief hospital stay, September will be the unveiling of Phil Thompson's new column..."Seen on the Airpark"! Thanks everyone for the calls, emails, cards and well wishes. It meant a lot to both of us. Until then, keep the blue side up.

-Jean Thompson

Deadline for publication is the 28th of each month.

I hope you enjoy this issue!
